More Great News from CARE!

We  **NY!**

Effective immediately, we are increasing our limits in the state of New York to **\$1,300,000/ \$3,900,000!**

AND we lowered our rates to give our agents and brokers a greater opportunity to write new business in this large physician state. (We can, of course, still offer you lower limits if you need them.)

Let's make 2010 a great year for everyone!
