

Big News for “Volunteers”

CARE Risk Retention Group is now open for business in Tennessee! New rates are hot off the presses and highly competitive.

What's not new is the same reliable, prompt service you always get from CARE as well as the ability to customize policies to meet the unique needs of your physician clients.

July renewals are upon us! For a quote or additional information, call Jack Frye, Teresa Ragland or Gloria Ray at 866-749-2273 or 502-895-6404.
